HB 1003 - SB 955

February 22, 2019

SUMMARY OF ORIGINAL BILL: Requires the use of certain limited identifying information on court filings, unless otherwise ordered by the court.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (004556): Deletes and rewrites all language after the enacting clause such that the only substantive changes would require such filings to contain limited information unless otherwise required by statute, court rule, or court order, and exempts all filings in juvenile court from the provisions of the legislation.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Parties and nonparties filing documents with a court other than a juvenile court will be required to limit identifying information to the last four digits of a social security number, the year of the individual's birth, a minor's initials, and the last four digits of a financial account number, unless otherwise required by statute, court rule or court order.
- Limiting the identifying information provided by individuals in court filings will not result in any significant fiscal impact to state or local government.
